

SIT/STAND

TYCHO™ HEIGHT ADJUSTABLE WORKSTATION

TYCHO™ HEIGHT ADJUSTABLE WORKSTATION

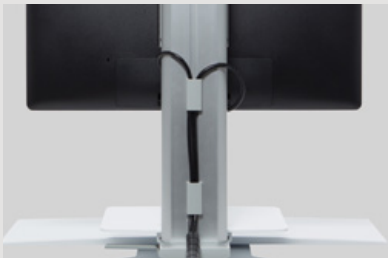

Improving workplace productivity and reducing employee healthcare costs through enhanced human ergonomics is just smart business.

Perfect Posture™ is pleased to introduce the best sit/stand solution on the market today. Instantly transition from sitting to standing in seconds and benefit from increased motion and mobility in your work place. Our elegant design effortlessly transforms any desk into a standing workstation with the simple touch of a lever. Available in black or silver & white for single and dual monitor applications. Assembles in minutes, no special tools required.

If healthier, more productive workers and reducing operating costs are your goals then the TYCHO™ sit/stand workstation could be the perfect solution for you.

Convenient *slide in, slide out* work surface for phone and office essentials.

On-board cable management keeps area neat and organized.
